

FALL / WINTER

2021-2022

WELCOME

Cabaïa is a French and joyful brand making fun and ingenious accessories. Our mission: **FREE YOUR GENIUS!** We are working hard to make your everyday life merrier and easier with well-thought accessories, designed and produced responsibly.

Our journey started in 2015 with our pom-poms hats and our famous concept «The Hat Bar». 1 hat + 3 pom-poms: switch them as you like and create your own hat! Then, we expanded to socks, towels and bags, reinventing them one after one to be handier and funnier. And this is just the beginning!

Today, the Cabaïa family counts 60 people based in Europe. We are present in more than 20 countries with our 1 200 wholesalers, stores and one of a kind pop-up shops. We are excited and ambitious as we were on our first day. Join the family and help us free everyone's genius worldwide!

Come have coffee with us at the office !
